The Stallion Service Fee is \$1,500.00, (which includes a non-refundable \$500.00 booking fee) An additional \$500 shipped semen fee, (courier fee of \$100 is included) will be charged for Brother Jackson semen, as we will be shipping semen Counter to Counter. International shipments will be \$500 plus the cost of the shipment. This completed contract, a stallion service contract, a shipping contract, and a copy of Mare's registration papers must be received along with the breeding fee, booking fee and shipped semen fee, prior to semen being shipped. If semen is picked up at the ranch the shipped semen fee is waived. However, for each cycle past the first will constitute a semen processing fee of \$500 per collection.

Breeding season starts February 25 and ends July 16. We collect semen from our stallions Monday, Wednesday and Friday and some weekend days with special circumstances. It is the mare owner's responsibility to call us and find out the collection days for the week. Mare owners will be charged \$500 per shipment plus the cost of shipping. The shipping charge is in addition to the stallion service fee which is: \$1,500.00 (which includes a non-refundable booking fee of \$500) and a shipped semen fee of \$500 per shipment. This applies to cooled transported semen only. Frozen semen is available upon request. A Frozen semen contract must be completed and a \$500 "shipped for frozen semen" fee must be paid in advance as well as the Frozen Semen Contract needs to be completed and signed. All forms need to be paid in advance of requesting semen. All semen must be shipped to a licensed veterinarian and must be requested by a veterinarian.

1. It is understood that all subsequent shipments, if necessary, must be paid in advance by Owner of mare at \$500 per shipment.
2. Under this contract a live foal is guaranteed. It is agreed that a "live foal" is defined as one that will stand and nurse without assistance after foaling. If the foal is born dead or Mare is found to not be in foal, it is Owner's responsibility to notify Ken Wold Training Stables & Stallion Services, Ken & Ramona Wold within seven (7) days. A statement must accompany this notice from a licensed veterinarian. In such case, **return privileges will be available the following year, 2023, only.** If Mare is to be returned the following year, another booking fee of \$500.00 will be due prior to Mare being rebred. **The breeding fee will not be refunded.**
3. If Owner fails to return Mare for rebreeding the following year then any and all fees paid shall be forfeited, the right to a rebreed is canceled, and the stallion owner Dan Perez, and/or Ken Wold Training Stables & Stallion Services, Ken & Ramona Wold is released from all further obligation of this contract.
4. If Mare dies or becomes unfit to breed, Owner may return during this season or the following season, 2023, with a substitute mare approved by the stallion owner, without an additional breeding fee (a new booking fee of \$500 will be due).
5. It is further understood that should the Stallion die, or become unfit for service for any reason, then this contract will become null and void and both parties are relieved of any further obligation hereunder.
6. BROTHER JACKSON will be collected Monday, Wednesday and Friday and some weekend days with special circumstances. There will be no exceptions. It is the responsibility of Owner and his/her veterinarian to confirm our shipping days. There is no guarantee of availability of cooled semen. It is also understood, that due to the extensive show schedules of performance horse stallions, Ken Wold Training Stables & Stallion Services, Ken & Ramona Wold and Dan Perez is not responsible if Stallion is unavailable for collection during the breeding season. Please call our office prior to artificially cycling your mare. We will notify you of his availability for collections prior to your planned synchronizing.

Ken Wold Training Stables & Stallion Services, Ken & Ramona Wold and Dan Perez only assumes responsibility to ship semen in viable condition and shall not be held liable for contamination of semen during and after shipment, loss of viability, or any costs arising from shipments delayed, damaged, or lost in transit. Ken Wold Training Stables & Stallion Services does not guarantee the fertility of any stallion, but agrees to process each ejaculate to optimize 24-hour post cool motility, and subsequent fertility. Every effort should be made to inseminate Mare within 24 hours after collection from Stallion. Owner agrees to use all cooled semen provided by this agreement for the mare named in this agreement, and no other.
8. It is imperative that the container be Ken Wold Training Stables & Stallion Services, Ken & Ramona Wold within three (3) days after the date of delivery (i.e. received on Monday must be returned Thursday). Owner will be charged a \$50.00 per day late charge. Late charges will be applied to Owner's account and must be paid prior to any subsequent shipments or Breeders Certificate being released. The shipping container and its components must be returned complete and in good condition. If any of the components (i.e. isothermalizer, coolant cans, ballast bags, etc.) are damaged or missing, the cost of replacement will be charged to Owner's account.
