- \* The above high-lighted collection dates are tentative and not exact. Please have your veterinarian call our ranch prior to manually cycling mares.
- \* Mare's veterinarian must call Ramona Wold the day prior to collection to place your mare on the shipment request list. Your shipment will not be confirmed unless you speak directly with or receive a text back from Ramona Wold.
- \* Your veterinarian must call prior to 7:00 am PST on collection days if you need to cancel shipment. (If you do not call to cancel by 7:00 am, your semen order will be shipped as scheduled and mare owner will be charged for shipment.)
- \* Frozen semen is available when cooled transported semen is not. However, arrangements must be made in advance as the dry shipper needs time to charge.
