- \* The above **high-lighted** collection dates are tentative and not exact. Please have your veterinarian call our ranch prior to manually cycling mares.
- \* Mare's veterinarian must call Ramona Wold the day prior to collection to place your mare on the shipment request list. Your shipment will not be confirmed unless you speak directly with or receive a text back from Ramona Wold. If you do not get a text or phone call back that means we did not receive your request.
- \* Your veterinarian must call prior to 6:30 am PST (FedEx) on collection days if you need to cancel shipment. (If you do not call to cancel by 6:30 am, your semen order will be shipped as scheduled and mare owner will be charged for shipment.) Counter to Counter shipments must be canceled by 5:30 am PST on the day of shipment. Our courier generally departs from the ranch by 6:00 am PST.
- \* Frozen semen is available when cooled transported semen is not. However, arrangements must be made in advance as the dry shipper needs time to charge. There are additional fees for Frozen Semen.

\* Weekend collection and shipments are by the discretion of the stallion manager and are not scheduled or routinely performed.

Veterinarians: call or text (texting is preferred) RAMONA WOLD  
**916-802-6857** by 5:00 pm, prior to the shipped semen schedule date highlighted above, to request semen. If you do not get a response please contact **916-802-6668** (Ken's cell phone #).
