Dear Mare Owner

Thank you for your early booking to Brother Jackson, and for taking advantage of the special fee for booking early. Please sign and return the Special pricing "Early Booking" breeding contract along with a legible copy of your mare's registration papers. Return the contract with the \$500.00 non-refundable booking fee, payable to Ramona Wold. We will only be accepting 50 early booking contracts. We will not extend this special further than November 30, 2025.

Please note that the balance of stallion fee and necessary shipping fee(s), also payable to Ramona Wold, are due prior to your first shipment. You may refer to the enclosed breeding contract for your fee schedule, as well as page 3 to include your required credit card information. Failure to return the signed contract or any form of prepayment, may result in a delay or even cancellation of your semen shipment. A valid credit card will need to be on file, even if prepaying your shipments with a check.

The 2025 breeding calendar will be provided for reference to our collection schedule, and a reminder of our protocols.

For our Canadian friends, please be advised that your permit needs to be on file with us prior to your veterinarian placing the semen request.

Thank you for choosing Brother Jackson for your 2025 breeding season. We appreciate your business and support. Should you have any questions, you can reach Ramona Wold at 916-802-6857 or Ken Wold at 916-802-6668.

Brother
JACKSON
